COURT CLERK'S OFFICE - TULSA
CORPORATION COMMISSION
OF OKLAHOMA

COMES NOW APPLICANT and shows the Honorable Corporation Commission as follows:

1. Parties: Applicant is Newfield Exploration Mid-Continent Inc., One Williams Center, Suite 1900, Tulsa, Oklahoma 74172. The parties being named as respondents to this Application are listed on Exhibit "A" attached hereto and made a part hereof.

2. Allegation of Facts:

a. That Applicant herein is the owner of oil and gas leases underlying said Section 24, Township 14 North, Range 6 West, Canadian County, Oklahoma.

b. That Applicant filed an Application, Cause CD No. 201504402-T, requesting that a 640-acre horizontal drilling and spacing unit be established for the Mississippian (less Chester) common source of supply underlying Section 24, Township 14 North, Range 6 West, Canadian County, Oklahoma.

c. That Mark Holloway, Inc., Inc. operates the Glen 1-24 well, API #017-22842, located in the NE/4 SW/4 Section 24, Township 14 North, Range 6 West, Canadian County, Oklahoma which is producing from Mississippi common source of supply.

d. That OAC 165:5-7-6(h) requires that no order of the Commission authorizing a horizontal well unit that overlies any existing well or portion of an existing drilling and spacing unit producing from the same common source of supply will become effective until at least 50% of the ownership having a right to drill in each such well and/or drilling and spacing unit consents in writing to the horizontal well unit by filing such written consent with the Court Clerk of the Commission in such cause.

e. That OAC 165:5-7-6(h) provides that requests for such consent must be sent by restricted mail to the owners having the right to drill in any existing well and/or drilling and spacing unit producing from the same common source of supply as the proposed horizontal well unit and Applicant has complied with this requirement.

f. That Applicant has been unable to obtain 50% approval of the ownership in the Glen 1-24 well and in the existing drilling and spacing unit in writing for a horizontal well unit for the Mississippian (less Chester) common source of supply as required by OAC 165:5-7-6(h).

g. That Applicant requests an exception to OAC 165:5-7-6(h) to the 50% approval of ownership requirement to a horizontal well unit thereby making effective the spacing order to issue in **Cause CD No. 201504402-T** without 50% acceptance by owners of the Glen 1-24 well and in the existing drilling and spacing unit.

3. Legal Authority: Title 52, Section 87.1, O.S., OAC 165:5-7-6(h)(i).

4. Relief Sought: Applicant requests that the Commission enter an order excepting Applicant to the 50% approval of ownership requirement to a horizontal well unit as stated in OAC 165:5-7-6(h).
