APPLICATION

COURT CLERK'S OFFICE - TULSA
CORPORATION COMMISSION
OF OKLAHOMA

COMES NOW the Applicant and shows the Corporation Commission of Oklahoma as follows:

1. **PARTIES:** Applicant is **Newfield Exploration Mid-Continent Inc., One Williams Center, Suite 1900, Tulsa, OK 74172**, the owner of oil and gas leasehold interests within the lands described in the caption hereof. The name and address of each party entitled to notice of this Application is as shown on Exhibit "A".

2. **ALLEGATION OF FACTS:**

(A) That this Commission has by Order No. 49360, dated July 17, 1962, established a 640-acre drilling and spacing unit for the production of hydrocarbons from the Unconformity-Chester Lime Formation common source of supply underlying Section 5, Township 17 North, Range 10 West, Blaine County, Oklahoma. That since the date of said order, there has been a change in conditions or knowledge of conditions in the area which necessitates amending said order by deleting said common source of supply underlying said area;

(B) That this Commission has by Order No. 107640, September 17, 1974, as clarified by Order No. 574000, dated March 10, 2010, established 640-acre drilling and spacing units for the production of hydrocarbons from the Chester, Meramec and Osage common sources of supply underlying Section 8, Township 17 North, Range 10 West, Blaine County, Oklahoma. That since the date of said order, there has been a change in conditions or knowledge of conditions in the area which necessitates amending said order by deleting said common sources of supply underlying said area;

(C) That this Commission has by Order No. 111424, dated March 6, 1975, as clarified by Order No. 574000, dated March 10, 2010, established a 640-acre drilling and spacing unit for the production of hydrocarbons from the Mississippi Lime common source of supply underlying said Section 5. That since the date of said order, there has been a change in conditions or knowledge of conditions in the area which necessitates amending said order by deleting said common source of supply underlying said area;

(D) That this Commission has by Order No. 624945, dated May 6, 2014, established 640-acre **horizontal** drilling and spacing units for the production of hydrocarbons from the Mississippian and Woodford common sources of supply underlying an area which is adjacent and contiguous to Sections 5 and 8, Township 17 North, Range 10 West, Blaine County, Oklahoma; that subsequent development indicates that said common sources of supply extend beyond the area spaced thereby and underlie all or substantially all of the lands described above, and that said order should be amended and extended to include said lands. That the depths at which Applicant expects to encounter said common sources of supply in said area are as follows:

Common Source	
<u>of Supply</u>	<u>Depth</u>
Mississippian	9,029'
Woodford	9,621'

(E) That the permitted well in the drilling and spacing units requested herein is necessary to effectively and efficiently drain the portion of the common source of supply (reservoir) covered by such drilling and spacing unit, there being no existing well within the drilling and spacing unit which can effectively and efficiently drain the portion of the common source of supply (reservoir) covered by such drilling and spacing unit.

(F) That Applicant has conducted a diligent and meaningful search of the local county assessor's records, county treasurer's records, county deed records regarding the property involved for return addresses on recorded instruments, county probate records and city and county telephone directories and other sources of such information to locate the whereabouts and mailing address of each Respondent, or the identity, whereabouts and mailing address of Respondent's heirs, executors, administrators, trustees, successors, devisees or assigns, if any.

(G) That there are no existing wells producing from the above-named common sources of supply on the captioned land.

3. LEGAL AUTHORITY: 52 Okla. Stat. § 87.1.

4. RELIEF SOUGHT: Applicant requests that the Commission enter an order (A) amending the provisions of Order No. 49360, which established a 640-acre drilling and spacing unit for the production of hydrocarbons from the Unconformity-Chester Lime Formation common source of supply, to delete said common source of supply underlying the said Section 5; (B) amending the provisions of Order No. 107640, as clarified by Order No. 574000, which established 640-acre drilling and spacing units for the production of hydrocarbons from the Chester, Meramec and Osage common sources of supply, to delete said common sources of supply underlying the said Section 8; (C) amending the provisions of Order No. 111424, as clarified by Order No. 574000, which established a 640-acre drilling and spacing unit for the production of hydrocarbons from the Mississippi Lime common source of supply, to delete said common source of supply underlying the said Section 5; (D) extending the provisions of Order No. 624945, which established 640-acre **horizontal** drilling and spacing units for the production of hydrocarbons from the Mississippian and Woodford common sources of supply to cover and include Sections 5 and 8, Township 17 North, Range 10 West, Blaine

County, Oklahoma. Applicant further requests that the order to be entered in this cause be made effective on some date prior to the date of the hearing.

Respectfully submitted,
